This month's cover
In this issue we have two useful items of test
equipment that you can build. The cover features
one of these projects - an ESR meter by Jim
Tregellas VK5JST. See the story starting on page 18.

Contributions to Amateur Radio

Amateur Radio is a forum for
members' amateur radio
experiments, experiences,
opinions and news. Manuscripts
with drawings and/or photos are
welcome and will be considered
for publication. Articles attached to
email are especially welcome. The

WIA cannot be responsible for loss or damage to any material.
Information on house style is available from the Editor.

Back Issues

Back issues are available directly from the WIA National Office
(until stocks are exhausted), at \$8.00 each (including postage
within Australia) to members.

Photostat copies

If back issues are unavailable, photocopies of articles are
available to members at \$2.50 each (plus an additional \$2 for
each additional issue in which the article appears).
