## Cover

The recently refurbished Ross Hull Memorial Trophy. The inscription reads "To perpetuate the memory of an Australian amateur - an early member of the WIA - who devoted his life to the amateur cause and who pioneered the VHF field during his brilliant career as Editor of "QST" and "The Radio Amateur's Handbook". Born in Melbourne in 1902 his untimely passing in 1938 was a great loss to the amateur fraternity and the world of Radio Communications generally". Photo - Peter Hoare
