To order by fax, dial (02) 267 4363, quoting your card details and this magazine title.

IT'S ALL IN THIS ISSUE

8

TET-EMTRON TE-33...

It doesn't really matter how good your transceiver is – if the antenna is no good you just won't get out! VK3CE checks out a popular beam.

11

YAESU FT-1000MP...

Here's a review we've all been waiting for. The new Yaesu HF king pin gets the thumbs up from a delighted Chris Edmondson.

18

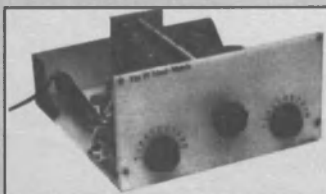

BUILDING PRACTICAL ANTENNAS

Want to do it yourself? Most times the instructions are gobbledy-gook to read... but Steve Ireland puts it in English!

28

BUILD AN ANTENNA TUNING UNIT

Staying with the antennas theme, if your antenna won't tune up, you may lose plenty of power, and won't hear all you should. John Heys describes a simple ATU.

32

THE PROCONE DISCONE

Yep, yet another antenna story! Here, Jason Reilly examines the latest entrant to the disccone marketplace.

38

ARE YOU A RADIO HACKER?

Bob Bell, VK2UTG, reckons we all are! We like to snoop around a bit, so Bob tells us where to go...

61

USE HF TO DIAL THE WORLD DIRECT — RDD...

We've all heard of the old OTC and RFDS phone links from HF radio — but now you can direct dial by direct dial by your microphone! Robert Williams checked it out.

66

REVIEW: ALINCO DR605T

The Editorial says the Dollar now buys more Yen — and here's the proof. Neil Duncan reviews a full-featured dual-bander costing \$899!

72

FREE GIVE-AWAYS!!

Come on, you must have to do something to win one of our prizes!

76

REFLECTING ON RADIO

More than a quarter-century of shortwave addiction makes Tom Sundstrom, W2XQ, ideally suited to meandering down memory lane. You name it, Tom's tried it out. So how does an expert rate the different receivers? Read on...

Don't miss our next great issue — it's out July 22!
